BOOKS THE BEST BEATS

Craig Scott has all the musical entertainment needed to get your party started, your guests' feet hopping, and the atmosphere rocking. Craig Scott represents dozens of bands, musicians, and DJs and will work with you to create just the right atmosphere and find the perfect entertainment to fit your holiday needs.

Want something unique and different? Try the live Dickens carolers. They'll stroll around in period costume outside the venue and greet your guests as they enter, or serenade them during dinner.

For a rockin' party, choose the classic sounds of the Craig Scott Orchestra, with its eight lead vocalists and four-piece horn

section, or the soothing Frank Sinatra-style croons of Stan Gilbert. Or, your guests can put on their dancing shoes and shake it to the R & B groove of Escapade, the calypso and reggae sounds of City Heat, or the classic unplugged stylings of the Guthrie brothers. This company also represents multi-talented singers and musicians. But book soon, because Craig Scott's dance card starts filling up in September.
